- (k) The Order of the Disciplinary Committee in complaint No.1865 of Shri Th. Mahendro Singh, alleging medical negligence on the part of Dr. Bhavna Anand, Dr. Bandana Sodhi in the treatment administered to complainant's wife Smt. Th. Jenita Devi at Moolchand Hospital, Lajpat Nagar-III, New Delhi-110024, was taken up for confirmation before the Delhi Medical Council.

Whilst confirming the Order of the Disciplinary Committee; the Council observed that it is inconceivable that the parents who have become aware of congenital defect, as it had happened in this case (Imphal USG report at 17 weeks 5 days) would not share the same with the gynaecologist or ultrasonologist. Be that as it may, the act of Dr. Bhavna Anand in not observing fetal limb abnormality in USG level-II (Anomaly Scan) done at 19 weeks, 3 days, reflects lack of exercise of skill, knowledge and care which was expected of a prudent doctor, as deformity of such gross nature at this gestation period, is

not expected to be missed, as limb finger ratio has to be documented at congenital anomaly scan at 18-20 weeks and level-II scan at 19/31st weeks, which apparently was not done, documented, hence, abnormality was missed. The fact that Dr. Bhavna Anand also missed the said deformity at 31 weeks of pregnancy, is evidence of the fact that she failed to exercise due diligence in conducting the USG test. In view of the same, the Council directed that the name of Dr. Bhavna Anand (Delhi Medical Council Registration No.36247) be removed from the State Medical Register of the Delhi Medical Council for a period of 30 days with a direction that she should undergo 30 hours of Continuing Medical Education (C.M.E.) on the subject of 'Level-II Fetal USG Scan' within a period of three months and submit a compliance report to this effect to the Delhi Medical Council.

The Council further observed that the Order directing the removal of name from the State Medical Register of Delhi Medical Council shall come into effect after 30 days from the date of the Order.

This observation is to be incorporated in the final Order to be issued. The Order of the Disciplinary Committee stands modified to this extent and the modified Order is confirmed.

- (1) The Order of the Disciplinary Committee in complaint No.2581- a representation from Police Station, Madhu Vihar, New Delhi, seeking medical opinion in respect of death of new born male fetus of Smt. Vimla w/o Shri Virender, allegedly due to medical negligence in the treatment administered at Manglam Hospital, B-42, West Vinod Nagar, Delhi-110092, was taken up for confirmation before the Delhi Medical Council.

Whilst confirming the Order of the Delhi Medical Council, the Council observed that in view of the fact that the patient had history of previous two LSCS, thus, at 36 weeks in labour, it was imperative that she should have been taken up for emergency LSCS, failing which, rupture uterus was the unfortunate consequence which ensued, compromising the well being of the fetus, as it happened in the present case. It is, thus, held that Dr. M.S. Chaudhry did not exercise reasonable degree of skill, care of knowledge in the management of the patient. The Council, therefore, directed that name of Dr. M.S. Chaudhry (Dr. Madhusudhan

Chaudhry, Delhi Medical Council Registration No.15174) be removed from State Medical Register of the Delhi Medical Council for a period of 30 days.

The Council further observed that the Order directing the removal of name from the State Medical Register of Delhi Medical Council shall come into effect after 30 days from the date of the Order.

This observation is to be incorporated in the final Order to be issued. The Order of the Disciplinary Committee stands modified to this extent and the modified Order is confirmed.

- (m) The Order of the Disciplinary Committee in complaint No.1928 of Smt. Monika Sharma, alleging medical negligence on the part of Dr. R.N. Saini and Dr. N.M. Aggarwal and B.L. Kapoor Super Specialty Hospital, Pusa Road, New Delhi-110005, in the treatment administered to the complainant's mother late Smt. Smt Raj Sharma at B.L. Kapoor Super Specialty Hospital, was confirmed by the Delhi Medical Council.

The Council also confirmed the punishment of warning awarded by the Disciplinary Committee to Dr. Sunny Kalra (Delhi Medical Council Registration No.33060).

- (n) The Order of the Disciplinary Committee in complaint No.2644 of Shri Shabir, forwarded by Medical Council of India, alleging medical negligence on the part of Dr. Manish Kumar Gupta, Dr. Sandeep Kumar Saini of Jagpravesh Chand Hospital, Shastri Park, Delhi-110053, in the treatment administered to the complainant, was confirmed by the Delhi Medical Council.

The Council also confirmed the punishment of warning awarded by the Disciplinary Committee to Dr. Manish Kumar Gupta (Delhi Medical Council Registration No.13426) and Dr. Sundeep Saini (Delhi Medical Council Registration No.19830).

- (o) The Order of the Disciplinary Committee in complaint No.2031- The matter pertaining to violation of the Delhi Medical Council's Order No.DMC/DC/F.14/Comp.2031/2/2017/263473 to 263478 dated 14th July, 2017 in complaint No.2031, whereby Dr. Rakesh Kumar Bhatnagar was suspended from practising
